(Application will not be processed without signature on this page)

Applicant acknowledges that despite the information it has provided herein, Far West Credit Services LLC may not be able to ascertain to whom the Notice Of Right To A Lien should be sent. Accordingly, it is expressly understood and agreed that the applicant waives any claim against Far West Credit Services LLC that it now has or may have in the future due to the inability of Far West Credit Services LLC to ascertain the party or parties who should received the Notice Of Right To A Lien or copies thereof.

Further, in the event Far West Credit Services LLC fails to timely and properly serve a right to lien notice as a result of negligence on the part of its employees, officers, or assigns, such liability is and shall be limited to the cost of services provided, which amount the parties agree is reasonable in light of the anticipated or actual harm caused by the breach or negligence, the difficulties in proving the loss, and the inconvenience or nonfeasibility of otherwise obtaining an adequate remedy.

Applicant understands that time is of the essence regarding the assertion of any claims against Far West Credit Services LLC as a result of FWCS's failing to timely and properly serve any requested Notice Of Right To A Lien. In the event there is any error in the Notice Of Right To A Lien, including the parties to whom it is sent or served, applicant shall have ten (10) days from receipt of said copy within which to notify Far West Credit Services LLC of such defect or admission.

The applicant agrees to pay for any research preparation and the cost of service as a result of its request for service of a Notice Of Right To A Lien. In the event payment is not made within thirty (30) days of the date of invoicing by Far West Credit Services LLC, the applicant agrees to pay interest at 1 ½% per month, as well as all cost of collection, including reasonable attorney's fees.
